CERE – SEMINAR

Thursday 2 September 2021

09:00 to 10:00 a.m.

“Finding external funding opportunities and grant writing support at DTU”

By

Nicky Ehrlich

Fundraiser at Department of Chemical and Biochemical Engineering

Abstract

Attracting external funding for research is a necessity when following the path of a research career at a university. How to find external funding opportunities, how to find resources for writing a proposal and what kind of support you can get at DTU will be the topic of this seminar.
